Subject: Price Increases Effective April 1, 2017

Dear Valued Customer,

The significant increases in the price of metals, transportation and currency fluctuations leave us no choice but to increase prices on several of our product categories. Therefore, effective April 1, 2017, the following increases will be in effect:

Categories 03, 04, 06, 24: Brass Fittings, Nipples and Pipes – 8%

Category 07: Dielectric Unions – 6%

Categories 08 & 28: Plumbing Accessories, excluding Plastic Clips and Tie Wraps – 6%

Category 09: Chrome Stop – 6%

Categories 13 and 14: Brass Ball Valves – 6%

Category 27: Wall Hydrants – 6%

Category 31: Water Hammer Arrestors – 6%

Categories 34 & 39: PEX Brass Fittings, regular and lead free – 6%

Category 34: Copper Crimp Rings for PEX – 8%

Category 38: Lead Free Push Fit Fittings and Valves – 6%

You may retrieve your price lists by clicking on the links below.

We thank you for your understanding and continued support.

Best Regards,
