Subject: Price Adjustments Effective June 18, 2018

Dear Valued Customer,

The cost of production continues to increase as a result of labour, environmental controls, currency fluctuations, etc.

As such, we must increase our prices effective June 18, 2018 as follows:

Categories 03, 06: Threaded Brass Fittings	+10%
Categories 20, 35, 36: 150lbs and 300lbs Black and Galvanized Fittings	+10%
Categories 04, 24: Brass Nipples and Pipes	+15%
Categories 10, 11, 12: Steel Nipples; Black, Galvanized & Extra Heavy	+15%

Orders received before June 18th will be honored at current prices on the condition that they do not significantly exceed your normal 1/12th purchases.

You may retrieve your price lists by clicking on the links on the next page.

We thank you for your understanding and continued support.

Best Regards,

Mike Lavoie
Vice President – Business Development
