**Subject: Price Increase Notification; Copper Fittings**

Dear Valued Customer,

The rising cost of raw material, together with increased transportation costs give us no choice to review our selling prices.

As such, the following price increases will be made effective April 17<sup>th</sup>, 2017.

Category 22, Copper DWV Wrot and Cast, increase of 8%

Category 37, Wrot Pressure Fittings, increase of 8%

We invite you to consult and download our new price lists by clicking on the link below.
