Subject: Price Increase Notification; Steel Nipples & Couplings

Dear Valued Customer,

The price of raw materials as well as manufacturing and transportation costs require us to adjust our selling prices, effective May 1st 2017, as follows:

Categories 10 & 11: Schedule 40, Welded Steel Nipples, black and galvanized:	+10%
Category 12: Schedule 80 Seamless Black Steel Nipples:	+10%
Category 41: Steel Black and Galvanized Merchant Couplings:	+10%

Orders placed for delivery before the effective date will be honored at current prices. However, we reserve the right to limit quantities should your order be well in excess of your normal purchases.

Please click on the links below to retrieve your new price sheets.
