Subject: Price Increase Notification; Copper Fittings

Dear valued customer,

Due to a significant increase in the price of copper, we have no choice other than increase our prices on copper fittings.

Effective December 1st 2017, prices will increase as follows:

Category 22, Copper DWV Wrot and Cast, increase of 5%

Category 37, Wrot Pressure Fittings, increase of 10%

We invite you to consult and download our new price lists by clicking on the link below.

We thank you for your understanding and continued support.

Best Regards,
