**BMI Canada Inc. achieved Platinum Club status with the Canada's Best Managed Companies program by retaining its Best Managed designation for seven consecutive years or more.**

Dear valued partners,

We are very proud to announce that after becoming a Canada's Best Managed Companies program winner in 2018, BMI Canada Inc. has been recognized for its industry-leading performance, its global business practices, and its sustained growth by receiving the prestigious 2024 Canada's Best Managed Companies Platinum Club award.

Celebrating over 30 years, Canada's Best Managed Companies program awards excellence in private Canadian-owned companies with revenues of \$50 million or greater. To attain the designation, companies are evaluated on their leadership in the areas of strategy, culture and commitment, capabilities, and innovation, governance and financial performance.

Canada's Best Managed Companies is one of the country's leading business awards programs recognizing innovative and world-class businesses. Every year, hundreds of entrepreneurial companies compete for this designation in a rigorous and independent evaluation process.

During its 52 years in business, BMI built an excellent reputation in the industry. After a seven-year journey culminating last year, the business ownership transfer process from BMI's founder Marc Bouthillette to Laurent Tessier has been successfully completed. This transition, coupled with the infusion of fresh talent into the management team while preserving the organization's foundational strengths, has enabled BMI to attain new heights of excellence and position itself strongly for the future. The company has opened a fifth distribution center at the beginning of last year in Texas and plans to open others in the USA in the coming years.

It is with great enthusiasm that we accept this prestigious award. We wish to share it with each member of the BMI family and we want to thank you all, our employees, customers, suppliers, agents and other partners for your important contribution to our success. It is a pleasure working with you and you can rest assured that we will continue to strive for excellence in the future.

Thank you for allowing us to share this special moment with you,

Laurent Tessier  
COO
